

StarCellBio usability testing meeting

90 minute sessions

3-4 testers if possible - 2 undergrads, 2 advanced users

need undergraduate(s)

also 2 undergrads - how do we find them?

former 7.06 TAs - graduate students who haven't seen StarCellBio

contact education group members - for graduate students, postdocs?

Thank you gift - \$30 TechCASH

They usually schedule testing sessions on Tuesdays, Wednesdays, and Thursdays

Possible dates: Nov 13/14, Nov 20/21 (offer 2 days back to back) - preference for Nov 13/14

Tasks:

- create problem set - simple version to use western blotting and flow cytometry
- Send Katherine the account number for TechCASH charges
- edit/review email/survey that will be sent out

Deadlines:

- Recruitment email and account number by November 4th
- Access to program by November 6/7 (freeze by Nov 1)
- Problem set draft by November 6/7
